MEMORANDUM FOR: Chief, CI Staff
Chief, SB Division
Director of Security

SUBJECT: [REDACTED]

25X1A

25X1A

In view of the gradual "normalization" of the status of [REDACTED] and relaxation of Agency control over him, the Director feels that the time is approaching when key officers of our Agency Subcommittees should be informed of the case on a strictly "need-to-know" basis. Accordingly, he has asked that I draft and coordinate with addressees a "talking paper" for this purpose. I would therefore appreciate your comments on the attached draft.
